

25 YEAR RE-REVIEW

10-1859

STAT

Thank you for your letter of 28 February 1958 concerning your interest in our organization.

Our present requirements for senior personnel are limited and, as Mr. Dulles mentioned in his letter to [redacted] we have few positions which are available to non-U.S. citizens. On the basis of these factors and the information you enclosed in your letter, we have been unable to locate any definite opening which would be of mutual interest. However, if you will complete and return the enclosed application materials, we will be glad to review this conclusion in light of the more detailed description of your background which they provide.

STAT

We do appreciate your interest in our organization and, although we cannot be too encouraging as to the result, will give your application every consideration.

Sincerely,

[redacted]  
Executive Officer
